ALEXANDER SEDGWICK

For many years **Alex Sedgwick** worked as an architectural photographer, documenting projects by such iconic names as Alsop Architects, Foster & Partners, Frank Gehry and Richard Rogers & Partners. In 2017 he launched The Alex Sedgwick Gallery in Mallorca, specialising in original photographic artworks and limited edition prints of architecture, flowers and landscapes. Alex's distinctive abstract artworks now hang in private and corporate collections around the world.

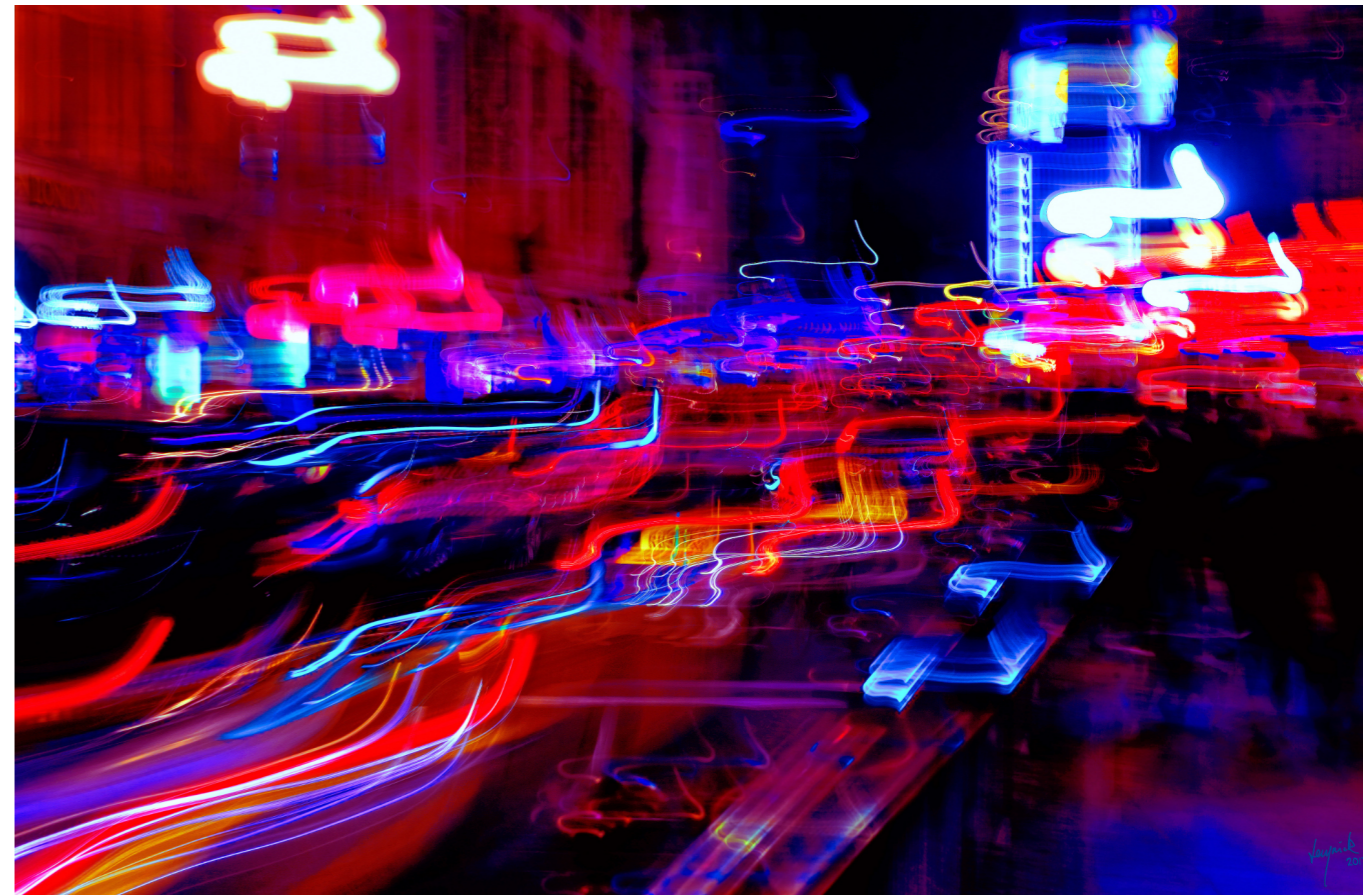

All images are an acrylic coated giclée print, on an aluminum support and aluminum frame.
